**Team of the Week - Varsity Football**

The Varsity Football Team has taken the title of Team of the Week for the second time this year after a HUGE win this past Friday. The Eagles traveled four hours south to take on Key West High School in a key league matchup.

The Conchs have dominated in the past...but not this year! The Eagles came out with a vengeance, even starting the game off by running the opening kick-off back for a TD. The Varsity Boys continued to work together the entire game dominating on both sides of the ball. The Eagles defense shut down Key West's offense only allowing them to score 7 pts while our NB Offense ran all over the Conchs. There was no letting down eventually earning the 49-14 victory and taking their season record to 4-0. Coach Nottage and his team now look to carry their momentum into Friday night's Homecoming Game as they host Pompano Beach HS here at NB at 7:00pm. Let's make it 5 in a row!!

## NB Athletes of the Week

---

### **Dymitri "The Handyman" McKenzie** (12th Gr - Varsity Football)

This week's male high school Athlete of the Week goes to Dymitri "The Handyman" McKenzie. The Handyman had the game of his life last week in the Southernmost Point vs Key West High. He helped lead the Eagles over the Conchs by scoring 5 touchdowns on the night. The Handyman used every tool in the toolbox and scored on a kickoff return, a fumble recovery and 3 times on the ground. The Eagles remain undefeated with the victory and the The Handyman will go back to work this week against Pompano Beach High in our Homecoming Game. Great Job Dymitri!

### **Hannah "Long Drive" Leiner** (12th Grade - Varsity Golf)

This week's female high school Athlete of the Week goes Hannah "Long Drive" Leiner. "Long Drive" went to work last week, helping lead the girls varsity golf team over Oxbridge Academy and St. John Paul. She recorded a 38 and was the match medalist in the victory. "Long Drive" will be looking to go long again for the Lady Eagles in our upcoming matches. Great Job Hannah!

### **"Adaptable" AJ Aquino** (8th Grade - JV Golf)

This week's male middle school Athlete of the Week goes to "Adaptable" AJ Aquino. AJ "adapted" to some tough course conditions and led the team in scoring with a 45 vs King's Academy last week. We are looking for big things from AJ going forward and his ability to "adapt" will definitely benefit the Eagles. Great Job AJ!

**Emma "Laser Beam" Lazarus (8th Grade - MS Volleyball)**

This week's female middle school Athlete of the Week goes to Emma "Laser Beam" Lazarus. "Laser Beam" was on point for the middle school volleyball team as they took on Calvary Christian. She put on a "laser" show by recording 10 service points in the match. She was also a huge part of the team's win over Pine Crest Boca last week. Great Job Emma!
