### **Golf & Cheer Give Back to the Community**

### **NB GOLF - SPECIAL OLYMPICS COMMUNITY SERVICE PROJECT**

On Saturday, September 24th members of the North Broward Prep golf teams volunteered at the Special Olympics Broward Bowling Tournament at Strikers Lanes in Sunrise.

This is the third straight year the Eagles have assisted with this event, which is a qualifier for the state tournament. The student-athletes helped the bowlers with order of play, which lane they were to bowl on, and also cheered them on as they made strikes and spares. They also filled out the official score cards for the athletes.

"This is the third straight year we've done this event, and the kids get a great boost from helping these amazing Special Olympics athletes," said boys golf coach Ross Devonport. "It's very uplifting to see the joy both sets of athletes get from the interaction."

### ***NB CHEER - WALK TO DEFEAT ALS***

The NBP Varsity Cheerleaders participated in their second annual Miami-Dade Walk to Defeat ALS on Saturday, September 24th at Bayfront Park. The ladies helped kick-off the event by leading the crowd in cheers and warm-ups, and supported the participants as they began their journey to help raise awareness and SLAM ALS. They have been actively involved with the ALS organization for the past year, joining forces with the NBP football and dance teams to create a video for the global online challenge, SLAM ALS, to help promote ALS Awareness Month. The ladies will once again Rep the Prep when they kick-off both the Broward and Palm Beach ALS walks in early 2017.
