Girls Soccer Gives Back to the Community

For the 5th year in a row the Girls Varsity Soccer Team has taken part in the Annual Coaches vs. Cancer Event at Cypress Bay High School. This wonderful event consists of four Varsity Soccer Teams that come together each year to play a competitive soccer game but most importantly to raise awareness for cancer. This year the teams consisted of North Broward Prep, Douglas HS, Cardinal Gibbons and host Cypress Bay HS. All teams wore a jersey that represented a type of cancer. The Lady Eagles wore a blue jersey with pink numbers for breast cancer awareness. The biggest part of this event is that all four teams gather toys to donate to the Cancer Center of Joe DiMaggio's Children Hospital. Once again the Lady Eagles made us proud with the number of toys donated. Overall the night was an awesome experience. It was a great opportunity for the girls to come together as a team while also giving back to the Community. Great work Ladies!!
