FHSAA Cross Country Academic State Champions

Congratulations to the Boys Varsity Cross Country Team!! Not only did the boys have a successful season of running they also excelled in the classroom earning the title of FHSAA Class 2A Cross Country Academic State Champions. The team earned this title by carrying overall unweighted GPA of 3.934. We are very proud of the seven members of the 2017 Boys Cross Country Team. All season long they have found a way to balance both academics and athletics proving that hard work pays off! These boys are a perfect example of how you can excel not only out on the field but in the classroom as well. Keep up the great work!
