# 2018 GLOBAL GAMES

North Broward Prep took over 125 middle school student-athletes to compete in The Global Games of 2018. This was a great event that promoted school spirit, sportsmanship and friendly competition versus our sister schools. We are very proud to say that our students from NBP represented our school community in a positive manner on and off the playing fields.

Although we did not come home with The Overall Cup, the NBPS students worked hard and battled the entire 3 days of competition. Overall it is safe to say that the students had a great experience that they will always remember and we did bring some hardware home. Below are the achievements of our NBP teams and individual performers:

**TEAM:** Boys Flag Football – Silver Medal, Girls Sand Volleyball - Silver Medal, Girls Volleyball - Bronze Medal, Boys 4X1 Relay Team - Bronze Medal --- **INDIVIDUAL:** Lola Brezin - Silver Medal (Track – 200M), Luke Evans - Silver Medal (Track - 100M)
