## Team of the Week: Girls Varsity Soccer

The Girls Varsity Team is only three games away from the most important part of their season, and with three big wins this past week, the girls are on a roll. They started the week off with an important district win over St. Andrews, 6-0, followed by a second big district win over University School, 3-0 which allowed the team to secure a #2 seed in the district tournament and a bye for the first round of play. The Ladies did not stop there, they capped both those wins off with a convincing win over King's Academy, 8-0 last night. The girls now turn their focus to the rest of this week when they face Spanish River on Wednesday and Douglas High School on Thursday in the team's annual Coaches vs. Cancer event. Good luck girls...let's head into post season with a few more wins!
