

Dear NBPS Families,

As Hurricane Dorian approaches Florida on an uncertain path, we recognize the need of our families to prepare for the storm.

With that in mind, we will be postponing our NBPS Athletics Kick-Off BBQ that was scheduled for tomorrow (Friday) night. We will notify families if/when we are able to locate another date to host this event.

Our student-athlete Kick-Off Combine with Coach Garrish (4:00PM) and varsity football game (7:00PM) will go on as scheduled. If you are finished with your preparations at home, we invite you to come cheer on the Eagles!

Additionally, we will be canceling all team practices & athletic events from Saturday-Monday. We will continue to track the storm and make any necessary changes as needed. If the direction of the storm shifts away from us, and allows us to hold practices on Monday, we will adjust that decision as well.

As always, thank you for your continued support!

Sincerely

NBP Athletic Department
