## 2016 Global Games

North Broward Prep took a large number of middle school athletes to compete in the 2016 Global Games. This was a great event that promoted school spirit, sportsmanship and friendly competition versus all North American Nord Anglia Schools. We are very proud to say that our students from NBP represented our school community in a positive manner on and off the playing fields.

Although we did not come home with the Global Games Cup, it is safe to say that the students had a great experience that they will always remember and we did bring some hardware back to North Broward Prep.

Below are the achievements of our NBP teams and individual performers:

Girls Flag Football: Gold Division - Silver Medal

Girls Basketball: Silver Division - Bronze Medal

Boys Flag Football: Gold Division - Bronze Medal; Silver Division - Silver Medal; Bronze Division - Silver & Bronze Medal
